GEN. & REV. SECTT. 11 SEP. 1941 AGRL. & FOREST BRANCH.

SIR,

I have the honour to state that Green Baize which is stocked in the Depot for supply to all Gazetted Officers, having run out of stock, the Secretary, Stores Purchase Committee, was requested to call for quotations urgently for this article. Quotations and samples were accordingly obtained by the Secretary, and have been passed on to this Office for remarks. On comparing the rates, I find that quotations now received are very high, ranging from Rs.4-15-0 to Rs.11-8-0 a yard. The prices are ~~too~~ exorbitant and the purchase of the ~~same~~ article involves heavy extra cost. During last year, Green Baize of "A" quality, suitable for supply both to Gazetted Officers and for special supplies to the Members of Council and the Palace were purchased at Rs.3-14-0 a yard from Messrs. New Egerton Woollen Mills, Dhariwal. Under the circumstances, the Secretary, Stores Purchase Committee, has been requested to call for fresh quotation from the same Mills this year. In the meanwhile, I beg to suggest that supply of Green Baize to officers may be stopped, and arrangements made to get stock of thick table cloth dyed green to resemble green baize manufactured by the ~~Mysore~~ Bandipur Spinning Centre, Nanjangud, and issue them for ordinary purposes, after publishing a circular in the Mysore Gazette for the information of Heads of Departments. I request kind sanction of Government to the above arrangements.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent 9/9/41
Government Stationery Depot.

SIR,

With reference to correspondence ending with your letter No.A.F.4073, dated 12th February 1942, regarding supply of thick Table-cloth, dyed green, manufactured by the Badanval Spinning Centre, I have the honour to state that four sample bits of green Table-cloth were received on 30-1-1942 from the Manager, Badanval Spinning Centre. As the sample bits furnished were too small to afford a fair selection, the Manager was requested in this office letter No.S.1914, dated 2nd February 1942 to furnish sample pieces in one square foot size, at least. The receipt of larger sample pieces of the cloth from the Spinning Centre, Badanval is awaited and a report thereupon will be submitted to Government for orders.

SIR,

In continuation of my letter No.S.2116 dated 16th February 1942, regarding supply of thick Table Cloth, dyed green, manufactured by the Badanval Spinning Circle, I have the honour to forward herewith one sample piece of Table-Cloth measuring 60"x3 yards for approval of Government.

The Manager, Badanval Spinning Circle states that the length of each piece will be limited to four yards. Since the article is supplied to Government Offices in pieces of 2 yards, orders may be placed with the Manager for the supply of 300 yards of the cloth in pieces of 2 yards each generally and slightly longer pieces in exceptional cases. The rate quoted by the Manager is Rs.1-13-0 per yard.

Early sanction is solicited since indents of many Government Offices are pending compliance for want of stock of the article.
